

Extra-curricular and enrichment

‘Students benefit hugely from the extensive opportunities to learn in and out of the classroom’

Educational Endowment Foundation

We offer a rich and varied range of extra-curricular clubs and enrichment activities for students in all years. Clubs are very popular among students and they form an important part of the day to day life at BDB. Clubs and enrichment activities provide a valuable opportunity for students to engage in wider life, make new friends and to discover and develop new skills.

Clubs and activities run during the school day at break times and after school. You should see the member of staff leading the club to get a break time pass.
